

Vail Vikings Football and Spirit Scholarship Application

- Be sure to fill out this application in its entirety. Applications missing information, including requested letters, will be returned to be completed. All information will be held strictly confidential and limited to the board members involved.
- Applications are accepted starting one month before the first registration and are awarded on a first come, first serve basis. Scholarship Applications are not accepted after the final registration.
- Scholarships are not available for everyone. Scholarships are primarily need-based; decisions are not based on talent or achievement of the player. The more specific you can be about your financial situation and/or need for financial aid, the quicker the scholarship committee will be able to evaluate your application. If you or your child have made efforts to save or earn money for the season, mention it in your letter. Your letter should discuss his or her love of the sport and how the applicant believes this will help him/her to achieve their goals.
- Limited funds are available. Scholarships are awarded in various amounts; not all aid is equivalent to full registration and fees. Scholarships will require up to 4 additional volunteer hours in addition to the 4 required hours in exchange. Cheer packages are not covered by scholarships.
- Our scholarship committee is made up of board members. They meet regularly to review applications and make award decisions. You will be notified via email if an award is made in your child's name.
- Scholarships cannot be combined with any other offer or discount.
